**December's** arrival is all too soon and with it came the harsh reality of winters grip accompanied by cold temperatures and a good blanket of snow. And probably like everyone else the boxes of Christmas lights and decorations started to emerge from their storage spots giving inspiration to create new festive outdoor displays. In a few short weeks, Christmas and the holiday season will be upon us - and soon after comes the celebration of the New Year, with hopes and aspirations for *a better road ahead for all* in 2023.

Prior to the end of the holidays, though, it's time to remember those who are less fortunate and experiencing hardship, whether in our city or around the globe. The many charitable organizations out there have been overwhelmed with requests for support. Whether your donation is in the form of children's toys, warm clothing, food bank items, cash or volunteering your time to assist in programs, please give some consideration to help others and make their lives a little more comfortable over the holiday season and beyond.

Winters' grip also means snow for the next few months, and sometimes LOTS of it! If you have neighbours who have difficulties in clearing the sidewalks, remember there is a snow angel in all of us. Show them your best by volunteering your snow clearing expertise! Get behind that shovel or snow blower for a few extra minutes and help make their world safe and worry free...it will be appreciated much more than you know.

It's hard to believe that 2022 will be in the rear view mirror soon but on its heels comes the New Year and with it a fresh direction for the APAC and its members. Your ideas and input will help support the club and its ability to forge ahead - so find the time and make a difference in what you can do for the benefit of the club and its membership.

On behalf of the APAC executive I would like to extend to all members and their families the very Best of the holiday season and wishes for a safe, healthy and prosperous New Year.

May all your days be merry and bright,

*Keith*

## APAC INTERNATIONAL 2022

Without all the players contributions and skills the team doesn't win.

Here are the names of the enthusiastic players for the APAC International 2022. It was a "win," thanks to these dedicated volunteers. They did everything from communications, assembling bucket draw and silent auction items, organizing the venue and tours, pins, plaques and memorabilia, on-line shopping, registrations, parking supervision, security, selling tickets, assembling lunches for the tours, art work, delivery of historic items, transportation, advertising, and anything and everything in-between.

## APAC 2022 CHRISTMAS PARTY

It was a fairly mild wintery evening when the membership gathered at the Forest Lawn Legion Branch #275 for the annual Christmas Party, an event many of our members looked forward to after the two year break. The always effervescent Lynne Thornton was our hostess for the evening. After donning her white Christmas cap and test, testing the microphone for a sound check, Lynne joyfully went about guiding the party goers through everything from refreshments, dinner, the Crazy Christmas gift exchange, 50/50 ticket sales and the year end awards.

Arriving guests gathered at their tables, each of which were decorated with beautiful festive center-pieces made by Anne Harding and Cathy Gilbert.

Prior to commencing dinner, Lynne assigned an order to the tables for taking turns in the line-up then called upon Grace Solberg to give the blessing for the meal.

Head chef Richard and assistant Angela were waiting with warm smiles and hot plates to serve up the sumptuous turkey dinner with ALL the trimmings and the *best* dressing anyone has tasted in a long time (probably about two years long!)

**Later, Miss Rosa offered to help Mark Tomlinson open the drum and make the draw for the 50/50!**

**The draw has been made and the lucky winner was Anne Harding!**

**Here is Anne graciously donating her 50% winnings back to the Legion fundraiser. A big thank you to Anne!**

The finale of the evening was the presentation of the Hugh Murray and Gord Watt Memorial Awards. The candidate(s) for the Gord Watt Memorial are chosen by the club President and this year the award was presented to the 2022 International Committee for their outstanding work on producing a very successful and memorable 60th International Antique Auto Meet in just seven short months.

Pictured above with President Keith is Fran Tomlinson, Anne Harding, Cathy Gilbert, Louise Graham, Kip Rogers and Darren Weidner. Absent from the photo are Tony White, Allan and Grace Solberg and Bob Whitmore.

The recipient of the Hugh Murray Memorial Award is nominated by the membership and based on outstanding contributions and service during the year to the benefit of the club and its members.

This year the honor went to Mr. Darren Weidner. **Congratulations Darren!**

### THE LAST WORD

In Santa Claus's absence, it should be noted that Mr. Christmas aka Mike Tomlinson was in attendance and was the arm candy for his wife Coral, who found the festive threads for her husband from an unnamed source!

What was really a festive fashion statement was the matching necktie completing the ensemble!

## SVAA Safety Check

The SVAA held a contest this year to encourage, reward and promote our Safety check program.

This safety Check program was introduced to scrutinize our vehicles after a long winter of being idle in the garage.

Over the years, and thru the Covid-19 Pandemic the numbers have dropped.

We now hope, going forward, that we can get back on track and demonstrate our willingness to drive safely.

We look forward to 2023 and seeing you.

Congratulations to the winning club.

**Al Riise, SVAA Director..**

Caught up with Vern at Peace Wheels and they did NO safety checks.

### **Selection process:**

- Divided the clubs into Small, Medium and Large
- Gave a ticket to each club for participating
- Gave a ticket > 50% of membership involved
- Gave a ticket for top number of inspections in a category size
- Gave a exceptional bonus to Cypress for doing 40 when their club was only 19

Got 5 dice out, shook the five dice and counted the scores for a total for each club for each ticket:

- Gear Lords for small with a  $16*45= 90$  credit towards 2023 membership
- AIIPC Calgary for medium club with  $21*5= 105$  credit towards 2023 membership
- SAACAC for large with  $25*5 = \$125$  credit towards 2023 membership.

**Photo of results attached on opposite page:**

**Thanks for coordinating this Safety contest. First year I believe it was successful.**
